

Product Name: BLUE TOILET CLEANER 5L
Product Code: BLUE5L
Manufacturer: FlowChemuk
Country of Origin: United Kingdom

Blue Toilet Cleaner provides a simple and effective solution for maintaining your portable toilet systems during travel. With its concentrated formula, it ensures quick breakdown of waste, controls unpleasant odours, and provides a vibrant blue tint that visually signals cleanliness. Ideal for caravans, motorhomes, boats, and portable toilets, this product guarantees a fresher, more hygienic restroom experience. The easy-to-use formula allows for seamless application, ensuring that your toilet stays clean, fresh, and odour-free for up to 4 days, so you can enjoy your journey with confidence.

Key Features:

Effective Waste Breakdown: Speeds up the decomposition of organic waste, ensuring easier disposal and a cleaner waste tank.

Odour Control: Neutralises unpleasant smells, leaving your portable toilet fresh and free from lingering odours.

Blue Colour Indicator: The distinctive blue tint helps you easily monitor cleanliness and waste levels in the tank.

Long-Lasting Freshness: Provides a continuous, subtle fragrance that lasts up to 4 days, ensuring a pleasant experience throughout your trip.

Easy to Use: Simply add to the waste tank with water for a hassle-free, efficient cleaning solution that keeps your mobile toilet system hygienic.

Property	Specification
Appearance	Blue Liquid
Odour	Cherry Scent
PH	-3 °C
Freezing Point	0 °C
Shelf Life	2 Years (unopened)
Storage	Store in a cool, dry place, away from direct sunlight

Instructions for Use:

Instructions for Use:

- Add 200-300ml of Blue Toilet Cleaner to your waste tank.
- Add 1 Litre of water to activate the solution.
- For optimal performance, ensure the tank is secure during transport.
- The formaldehyde-free formula works to break down waste, neutralising odours effectively.
- Enjoy a fresh, pleasant fragrance in your toilet, thanks to the natural essential oils.

Storage: Store in an upright position and keep the container secure when transporting.

Health and Safety:

Consult the material safety data sheet for advice on handling and safety procedures.
