

Product Name: PINK TOILET RINSE 5L
Product Code: PINK5L
Manufacturer: FlowChemuk
Country of Origin: United Kingdom

Pink Toilet Rinse is a premium, concentrated cleaner specifically formulated to maintain the fresh-water flush system in chemical toilets, ideal for camping, caravanning, and boating. This powerful yet gentle solution is designed to keep your toilet's clean water tank in top condition, ensuring smooth, efficient flushing and a fresh, clean environment. The non-staining formula is infused with essential oils that leave behind a pleasant, long-lasting fragrance, eliminating unwanted odours. Biodegradable and eco-friendly, it's a must-have for those seeking a high-performing, environmentally responsible toilet rinse solution.

Key Features:

Concentrated Cleaning Power: A highly concentrated formula that efficiently cleans the fresh-water flush system and clean water tank in chemical toilets with minimal product use, offering great value and performance.

Fresh and Inviting Scent: Infused with a pleasant fragrance, this product leaves your toilet smelling fresh and clean, while helping to mask any unpleasant odours.

Stain-Free Formula: Specially formulated to clean without leaving behind any stains, ensuring your toilet maintains a pristine and hygienic appearance.

Eco-Conscious and Biodegradable: Crafted with biodegradable ingredients, this product is gentle on the environment, making it the ideal choice for eco-conscious users.

Multi-Purpose Cleaning: Perfect not only for chemical toilets but also effective for cleaning sinks, toilets, urinals, and washrooms, offering a versatile solution for various sanitation needs.

Property	Specification

Instructions for Use:

For Flush Tank:

- Add 200-300ml of Pink Toilet Rinse for every 1 litre of water in your flush tank.
- Mix well to create your fresh flush solution.

Adjusting Fragrance:

- For a stronger fragrance, simply increase the ratio of product to water.

Storage Information:

- Always store the container in an upright position.
- Ensure the container is secure during transport to prevent leakage.

Health and Safety:

Consult the material safety data sheet for advice on handling and safety procedures.

Keep out of reach of children

Pink Toilet Rinse offers a hassle-free way to keep your portable toilet systems fresh and clean. Designed with convenience in mind, this concentrated formula ensures long-lasting freshness and hygiene in your toilet's water tank, even during extended trips. The biodegradable formula works quickly, providing a clean and pleasant-smelling environment without the need for constant maintenance. Ideal for caravans, boats, and camping, Pink Toilet Rinse delivers reliable performance while being safe for the environment, offering you peace of mind during your outdoor adventures.
