

PRODUCT NAME: SHAVER CLEAN AND REFRESH 5L
PRODUCT CODE: SHAVR5L
Manufacturer: FlowChemuk
Country of Origin: United Kingdom

Keep your electric shaver in top condition with Shaver Clean and Refresh. This alcohol-based solution provides a hygienic, effective clean—removing hair and skin particles far more efficiently than water alone. Specially formulated with added lubricants, it helps maintain your shaver blades, reducing friction and preventing irritation during shaving. Infused with refreshing lemon essential oils, it leaves your shaver smelling fresh while naturally lubricating the blades for a smoother, more comfortable shave every time. Keep your shaver performing like new, with a clean and refreshing finish.

Key Features:

Hygienic Cleaning : Alcohol-based formula effectively removes hair and skin particles for a cleaner shave.

Blade Maintenance : Added lubricants help prolong blade life and maintain optimal performance.

Reduces Friction : Minimizes friction between blades and skin, reducing irritation during shaving.

Fresh Lemon Scent : Infused with natural essential oils for a refreshing, clean fragrance after each use.

Enhanced Comfort : Keeps your shaver smooth and comfortable, ensuring a more pleasant shaving experience.

Property	Specification
Appearance	Clear colourless liquid
Odour	Alcohol like
PH	-
Freezing Point	0 °C
Shelf Life	2 Years (unopened)
Storage	Store in a cool, dry place, away from direct sunlight

Instructions for Use:

- Shake the container well before use.
- For shaving stations, refill your existing used pod with this solution and clean as usual.
- For cleaning tanks, add the required amount of solution and clean according to your shaver's manual.
- Suitable for all shaving stations and waterproof shavers.
- Always ensure the shaver is turned off and unplugged before cleaning.

Health and Safety:

Consult the material safety data sheet for advice on handling and safety procedures.
