

PRODUCT NAME: TOP AND BOTTOM ECO TOILET FLUID 5L
PRODUCT CODE: TOP5L
Manufacturer: FlowChemuk
Country of Origin: United Kingdom

Top and Bottom Toilet Fluid is the ultimate solution for maintaining clean, fresh, and odour-free chemical toilets in the camping, caravanning, and boating leisure industry. This premium, concentrated formula is designed for use in both the waste and flush tanks, offering a powerful yet pleasant fragrance that eliminates odours and breaks down waste. Its non-staining, biodegradable formula is compatible with all portable toilets, motorhomes, and toilet cleaners, making it a versatile and eco-friendly choice. Crafted with high-quality, UK-sourced raw materials, Top and Bottom Toilet Fluid ensures a more pleasant and hassle-free experience every time you empty your toilet tank.

Key Features:

Premium Concentrated Formula: Designed for use in both waste and flush tanks, offering effective odour control and waste breakdown.

Pleasant Fragrance: Leaves a fresh, clean scent, enhancing the overall toilet maintenance experience.

Non-Staining and Biodegradable: Eco-friendly formula that won't stain surfaces and is safe for the environment.

Compatible with All Toilets: Suitable for use with portable toilets, motorhomes, and chemical toilets in caravans and boats.

High-Quality UK Sourced Ingredients: Made with top-grade raw materials for reliable performance and long-lasting results.

Property	Specification
Appearance	Green to yellow, watery liquid
Odour	Cherry
PH	-
Freezing Point	0 °C
Shelf Life	2 Years (unopened)
Storage	Store in a cool, dry place, away from direct sunlight

Instructions for Use:

- **Waste Tank:** Add 200-300ml of product to the waste tank, followed by 1 litre of water to activate the solution. Use every 3-4 days to prevent odours and break down waste.
- **Flush Tank:** Add 200-300ml of product for every 1 litre of water to create your flush solution. For a stronger fragrance, simply adjust the product-to-water ratio.

Health and Safety:

Consult the material safety data sheet for advice on handling and safety procedures.
