

Product Name: BLACKSPOT REMOVER

Product Code: BLACK5L

Manufacturer: FlowChemuk

Country of Origin: United Kingdom

Ready to Use Black Spot Remover is a highly effective cleaning solution designed to eliminate stubborn black spots on patios, stone walls, bricks, and other outdoor surfaces. This powerful formula penetrates deep into the surface, breaking down tough stains and restoring the natural appearance of your outdoor spaces. Easy to apply and fast-acting, it works in all weather conditions, making it an essential choice for maintaining clean and well-kept exteriors. Ideal for homeowners and professionals alike, it delivers long-lasting results with minimal effort.

Key Features:

Ready to Use: No dilution required, convenient and easy to use.

Powerful Black Spot Removal – Effectively eliminates stubborn black spots on patios, stone walls, bricks, and other outdoor surfaces.

Deep Penetrating Formula – Works beneath the surface to break down and remove embedded stains for a thorough clean.

Fast-Acting & Long-Lasting – Quickly restores surfaces while providing long-lasting cleanliness and protection.

Suitable for Various Outdoor Surfaces – Safe and effective on patios, driveways, stone walls, and brickwork.

Works in All Weather Conditions – Delivers effective results year-round, ensuring a clean and well-maintained outdoor space in any season.
