

Product Name: Thick Commercial Bleach
Product Code: BLEACH5L
Manufacturer: FlowChemuk
Country of Origin: United Kingdom

Thick Commercial Bleach is the ultimate solution for maintaining a clean and hygienic environment in high-traffic commercial spaces. Its thickened formula clings to surfaces longer, delivering powerful stain removal, disinfection, and odour elimination with minimal effort. Perfect for use in restaurants, healthcare facilities, public restrooms, and industrial settings, it ensures all areas are visibly clean and sanitized. The concentrated formula is cost-effective, requiring less product for superior results, while its versatility makes it ideal for a wide range of surfaces.

Key Features:

Powerful Stain Removal: Effectively tackles tough stains, grime, and buildup, leaving surfaces spotless and refreshed.

Prevents Future Clogs: Regular use helps prevent build-up and recurring blockages, ensuring smooth and efficient drainage.

Odour Neutralisation: Effectively eliminates unpleasant smells caused by trapped debris, leaving your drains fresh and odour-free.

Safe for Pipes: Gentle yet effective, the formula is designed to be tough on blockages without damaging or corroding pipes.

Versatile Application: Suitable for all types of sinks, drains, and pipes, making it perfect for both residential and commercial use.

Property	Specification
Appearance	Colourless Liquid
Odour	Characteristic
PH	>11.5
Freezing Point	-
Shelf Life	2 Years (unopened)
Storage	Store in a cool, dry place, away from direct sunlight

Instructions for Use:

- **General Cleaning:** Apply to surfaces with a mop, cloth, or sponge. Let it sit for a few minutes before wiping clean with water.
- **Stain Removal:** For tough stains, apply directly to the affected area, scrub if needed, and rinse thoroughly.
- **Toilets and Drains:** Pour around the toilet bowl and under the rim, let sit for a few minutes, scrub, and flush. For drains, pour directly into the drain to clean and deodorise.
- **Tile and Countertops:** Apply to tiles or countertops, allow to work, then wipe away with water for a thorough clean.
- **Safety Tip:** Always use in a well-ventilated area and wear gloves for protection.

Health and Safety:

Consult the material safety data sheet for advice on handling and safety procedures.

- Signal words: Danger Hazard pictograms: GHS07: Exclamation mark GHS09: Environmental
