Instructions for Use:

- For general cleaning and disinfection, dilute the product at a ratio of 50:1 (water to disinfectant).
- For heavily soiled areas, reduce the dilution ratio or use the product neat for a more powerful clean.
- Apply using a spray bottle, mop, or cloth, depending on the surface being cleaned.
- Safe for use on areas frequented by pets, as it does not contain phenols, bleaches, or pine oils, making it safe for animal paws.

Health and Safety:

Consult the material safety data sheet for advice on handling and safety procedures.

Keep out of reach of children.

This product is also safe for use on lawns and artificial grass.
