

Product Name: Summer Screen Wash

Product Code: SUMSW5L

Manufacturer: FlowChemuk

Country of Origin: United Kingdom

Summer Screen Wash is the perfect solution for tackling the unique challenges of warm-weather driving. Its powerful formula is specifically designed to break down and remove stubborn summer residues like insect splatter, tree sap, and pollen, ensuring a crystal-clear windshield for optimal visibility. Unlike regular screen washes, Summer Screen Wash excels in dissolving these tough contaminants, leaving your windshield streak-free and spotless. Ideal for use in cars, vans, and lorries, it provides a safer and more enjoyable driving experience during the summer months. This specialized formula offers enhanced cleaning performance, helping to maintain a clear line of sight, so you can focus on the road ahead.

Key Features:

Clears Bug Splatter and Tree Sap: The specialised formula effectively breaks down and removes tough summer residues, such as insect splatter and tree sap.

Streak-Free Finish: Leaves your windshield crystal clear with no streaks, providing optimal visibility for safe driving during sunny, warm weather.

Powerful Cleaning Formula: Designed to tackle the specific challenges of summer driving, it easily dissolves stubborn dirt, pollen, and road debris.

Safe for All Vehicles: Ideal for use in cars, vans, lorries, and other vehicles, ensuring a clean and clear windshield for all types of drivers.

Enhances Driving Safety: Maintains excellent visibility, reducing distractions and ensuring a safer driving experience, especially on long summer trips.

Property	Specification
Appearance	Yellow Liquid
Odour	None
PH	6-8
Freezing Point	0 °C
Shelf Life	2 Years (unopened)
Storage	Store in a cool, dry place, away from direct sunlight

Instructions for Use:

- Check the Windshield Washer Reservoir: Ensure the windshield washer reservoir is clean and ready for filling.
- Pour Summer Screen Wash: Pour the Summer Screen Wash directly into the windshield washer reservoir. It can be used undiluted for maximum cleaning power.
- Secure the Cap: After filling, securely close the reservoir cap to avoid any leakage.
- Activate the Washer System: Turn on your vehicle's windshield washer system to clean the glass surfaces. The formula will quickly break down bugs, tree sap, and other summer debris.
- Refill as Needed: Regularly check the fluid level and top up as necessary to ensure continued performance and optimal visibility during your drive.

Health and Safety:

Consult the material safety data sheet for advice on handling and safety procedures.

- Hazard pictograms: None Signal word: None Hazard statements: None

Summer Screen Wash is the ideal choice for drivers looking to tackle the unique challenges of warm weather driving. Its advanced formula is specifically designed to handle the summer build up of debris, such as bug splatter, tree sap, and pollen, ensuring your windshield remains spotless even on long road trips. With its high-performance cleaning power, it quickly removes tough residues, leaving your glass crystal clear and free of streaks. Perfect for all types of vehicles, this solution offers convenience and reliability, giving you the peace of mind that your visibility is always at its best. Whether you're navigating busy city streets or enjoying a scenic drive, Summer Screen Wash makes every journey safer and more enjoyable.
