

Product Name: READY TO USE TOMATO FEED 5L
Product Code: RTUTOM5L
Manufacturer: FlowChemuk
Country of Origin: United Kingdom

Power Tomato Feed Ready-to-Use is the perfect solution for growing healthy, vibrant tomato plants with ease. Pre-mixed for convenience, this premium plant food is designed to boost growth, enhance fruit production, and promote strong root development without the need for dilution. Whether you're gardening at home or managing a larger crop, this ready-to-use formula ensures your tomatoes receive the right nutrients for a thriving harvest. With its balanced blend of essential nutrients, Power Tomato Feed Ready-to-Use makes it simple to grow delicious, flavorful tomatoes from start to finish. Perfect for busy gardeners seeking hassle-free, effective results.

Key Features:

Convenient Ready-to-Use Formula: Pre-mixed for immediate use, providing a hassle-free solution to nourish tomato plants without the need for dilution. Perfect for quick and efficient application.

Balanced Nutrient Blend: Enriched with essential nutrients like nitrogen, phosphorus, and potassium to support healthy growth, abundant fruiting, and overall plant vitality.

Boosts Growth and Yield: Encourages vigorous growth, strong root development, and improved fruit setting for larger, more flavorful tomatoes.

Easy Application: Simple liquid concentrate that mixes easily with water, ensuring uniform nutrient distribution and hassle-free feeding for plants.

Versatile Use: Perfect for various cultivation methods, including outdoor gardens, greenhouses, and container gardening, making it ideal for both hobbyists and commercial growers.

Property	Specification
Appearance	Brown Liquid
Odour	almost odourless. slight ammonia
PH	6-7.5
Freezing Point	-13 °C
Shelf Life	2 Years (unopened)
Storage	Store in a cool, dry place, away from direct sunlight

Instructions for Use:

For Indoor Gardens:

Start applying Power Tomato Feed once the first truss (group of flowers) has set, and continue every 7 days. After the second truss has set, increase feeding to every 3-4 days.

For Outdoor Gardens:

Apply Power Tomato Feed every 10-14 days after the second truss has set.

For Growbags or Ring Culture:

Use a double-strength solution by mixing two parts water with one part feed, and apply every 7 days.

To Maximise Performance:

For indoor or growbag cultivation, feed every 3-4 days for a higher yield. For outdoor plants, feed every 5-7 days.

Tip: 5 Litres of Power Tomato Feed is sufficient for 8-9 plants.

Health and Safety:

Consult the material safety data sheet for advice on handling and safety procedures.

100% Natural

Power Tomato Feed is the ideal solution for those serious about growing healthy, productive tomato plants. Its highly concentrated formula ensures maximum efficiency, delivering the essential nutrients directly to the roots for faster and stronger growth. Whether you're a home gardener looking to elevate your crop or a commercial grower aiming for a top-quality yield, this feed offers the perfect balance of nutrients that tomatoes crave. With easy application and measurable results, it simplifies plant care and helps you achieve the vibrant, flavourful tomatoes you desire. Make your tomato-growing experience a success, from start to finish, with Power Tomato Feed.
